THE FEELING LIST AND EMOTIONAL INTIMACY IN MARRIAGE

Imagine for a minute if you took all the feeling words out of the Book of Psalms. There would not be a whole lot left. It is the pouring out of King David’s soul, and in particular his **FEELINGS** that help us have a similar pouring out to our Maker. Its the vulnerability of honestly sharing the deepest of feeling that helps create a rich closeness to God.

HOLIDAY BLUES - ER STYLE-

Sometime ago I served as a consultant to a local emergency room. I was on call to provide evaluations for psychiatric emergencies. These included suicide attempts, psychosis, child-abuse and just about any other type a psychological problem you could and could not

imagine. During my time in the ER I truly learned the truth is stranger than fiction.

TESTIMONIALS

About a year and a half ago my church “Downey First Christian Church” introduced Ms. Sue Fields as our Turning Point Counselor, I went to see her and she helped me a lot with boundaries, dealing with stress and also because I was facing infertility. After a number of sessions I “graduated” and she told me she was sure I would have children and asked me to call her when I knew I was pregnant. I know she passed away and is with the Lord now; all I wanted to share with you is this testimony for the Glory of God ... I am two months pregnant and I know its Gods work but I want to share with you that He helps us to be healed and restored through people who do what you do.

Please continue the good work and may our God bless you and this ministry.

*Sincerely,
Adriana*

TURNING POINT COUNSELING ON KKLA 99.5 FM

This month TPC can be heard on KKLA. For almost nine years Dr. Peter Robbins and myself hosted “Journey of the Heart” on KKLA which was a daily quarter hour show addressing the needs of family life, including marriage, parenting, teen issues and the like. We interviewed hundreds of guest and had a blast. This month we return with 60 second spots to let people know about our counseling services and the many church satellites that we serve through. They can be heard during the morning drive!
